As they float to the earth, each unique tiny flake
has no idea the impact it will make.
Just like the snowflakes, we are no two alike
and our results are the best when we unite.

Together we can make a difference.

HH12

As we look back on the year to reflect and review,
we can't even imagine our team without you!
We conquered each challenge by doing our best,
and now is the time to celebrate success!

Thank you for an incredible year!

HH13

As we march into the year anew,
we're thankful you're part of our crew.
Shoulder-to-shoulder we work as one,
depend on each other, and have lots of fun!
We tip our hats in thanks and gratitude
for your dedication and can-do attitude!

Here's to a great 2008!

HH15

Twinkling lights, hand-tied bows and carefully-placed
ornaments all add their own unique charm to our
Christmas trees. Although every decoration is beautiful
on its own, when they come together to dress a
vibrant evergreen, their collective beauty makes an
impact that can be appreciated by everyone.
Thank you for your hard work this year; the special
touch you bring truly makes a difference.

May you have a joyous holiday season.

HH16

May every star you wish upon grant success and smiles;
May caring words encourage you to go the extra mile.
May teamwork and cooperation be at the heart of all you do;
May the joy of the holiday season always follow you.

Warm wishes for the New Year.

HH17

Isn't it a wonderful thing that we're all different?
Each of us has strengths and skills to share.
And when we link our individual strengths together,
we're invincible.

Can't imagine us without you.

HH18

An old man walked up a shore littered with thousands of starfish, beached and dying after a storm. A young man was picking them up and flinging them back into the ocean. "Why do you bother?" the old man scoffed. "You're not saving enough to make a difference." The young man picked up another starfish and sent it spinning back to the water.

"Made a difference to that one," he said.

You make a difference, every day.
